To Whom It May Concern,

How many federal judges found Microsoft guilty of monopoly?

Is the DOJ really going to let them off -- without even making M\$ pay legal fees?

To hell with conduct remedies, why not a light slap on their wrists and be done with it? Oh, and then have the taxpayers pony up the bill for this mockery of justice.

I hope you guys got your g-strings stuffed with a few extra bills, at least.

Absolutely disgustedly yours,

N. C.
